To Whom so ever it may concern

We have a long association with Satellite Cargo Connexion in providing cargo & logistics solutions to our company. They manage the distribution of our cold chain and time sensitive products and ensuring warehouse transfers and delivery to our end customers on a pan India basis.

We are happy on the service levels in terms of TAT time and they have been able to establish & maintain 95% on time delivery across locations.

We wish to state that Satellite is our trustworthy and reliable partner in carrying consignments over the years.

We would recommend the services of Satellite Cargo Connexion to any company for 3rd party cargo outsourcing services.
